The Health officer's report shows that Dr Mannar has been getting a pension of Rs 10/- from the Madras Govt for his service as Farrier to the Governor's Body Guard, that on retirement he served for seven years in the Civil Veterinary Deptt. in the same Govt and thereafter for 3½ years in the Mysore Govt as Veterinary Surgeon to Local Horse Regiment. It is stated that his services were then dispensed with without assigning any reason for so doing. If so directed the circumstances under which his services were so dispensed with at all of a sudden may be ascertained from the Chief Commandant, Mysore State Troops.

Sir,

Adverting to Government Proceedings No 7074-5 Rev 91-10-18 dated 24 2 1911, sanctioning the appointment of a Veterinary Inspector on Rs 30/- plus 10/- bicycle allowance and also the employment of a peon on Rs 6/-, I have the honor to state that one Mr B Ramaiah has applied for the post of Veterinary Inspector. It is reported that he has been getting a pension of Rs 10 per mensem from the Madras Government for his services as Farrier to His Excellency the Governors Body Guard. A copy of letter No 1660 dated 26 4 11 from the Health Officer, Ingueeh- re the subsequent official career of Mr Ramaiah is herewith submitted for information of Government

2 As it had been Expressly proposed by the Municipal Council that the pay of the Veterinary Inspector should be Rs 50/-, there were seven more

applicants-

Applicants for the post, but since the pay has been reduced by Government to Rs 30/-, no one except Mr. Thamas appears to care to accept the post on reduced pay. In consideration of the smallness of the pay and of the peculiar nature of the work, I am of opinion that a non-vegetarian like Mr. Thamas is better qualified for the post, than a vegetarian pure and simple

I request therefor that the Government may be pleased to accord their sanction to appoint Mr. Thamas as Veterinary Inspector on Rs 30+10 per mensem

3 copies of testimonials produced by Mr. Thamas are herewith transmitted for kind perusal

DEAR MR. MILLS,

I hear poor Shunker is dead I am much agrieved to hear it for he was a protégé of mine in fact, my Veterinary Pupil in the 1st Cavalry in 1857 and subsequently, I hope he has made some provision for his family

I suppose you are carroling for a successor, a no easy task and this is why I am writing to you.

The Farrier Major of the Body Guard, Mannas, is an uncommonly intelligent man. He has youth, vigor and energy at his back and what is more to the point he has a keen desire to improve his knowledge. You might see the man and test his qualifications you will, of course, be interested in procuring the best material you can get

I therefore do not ask for any special favor for Mannas, but for him a chance if he proves the best candidate.

Yours truly
(Signed) F G SHAW,
Inspecting Vety Surgeon, Madras Army.
